

Mission Statement

The National Apostolate of Maronites (NAM) serves to foster, connect, and strengthen the Maronite community in the United States. It encourages and promotes religious, educational, and cultural growth and seeks to preserve Maronite heritage for future generations.

Supporting the Maronite Youth Organization (MYO) & the Maronite Young Adults (MYA)

Since the future of the Maronite Church is the youth and young adults, NAM contributes financial and human resources to the MYO, and MYA. We offer free one year membership to graduating High School seniors. NAM also partners with the Office of Youth Ministry and the Young Adults national organizations, to prepare events for our youth and young adults at the annual and regional conventions.

Scholarships

NAM is committed to the success of our Youth and Young Adults; it is for this reason that NAM awards scholarships to eligible MYO members and children of active NAM members. The fund is supported through private donations as well as contributions at all conventions.

NAM: There is Something for All

Today, NAM is one of the most effective ways of serving the Maronite Church: locally, regionally, and nationally. NAM is dedicated to being an apostolate that is sensitive to families as well as individuals. NAM will continue to bring people together, through ideas and programs that unify and strengthen the Maronite Church. This commitment is tied to NAM's goal of making every active person in the Maronite Church a member of NAM, so that together we can strengthen our Church and preserve it for future generations. So send in your application and join the thousands of members across the country TODAY, and be part of a brighter future of our Maronite Church.

National Convention

NAM's major undertaking is the National Convention, which is held annually in different cities. These conventions have become a significant time for friends and family to gather for a week of spiritual renewal, education and socializing.

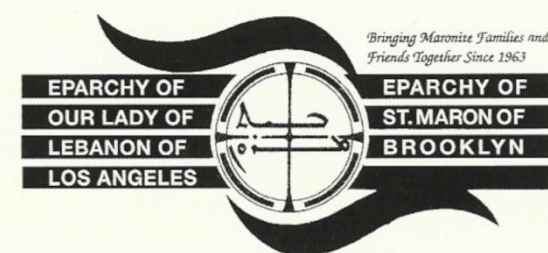

Regional Convention

NAM holds regional conventions throughout the US. These mini conventions help people from within a region to gather for a short weekend of spiritual, educational and social events.
